

ESOL classes take place at Knightswood Primary School subject to attendance. Younger children and babies are not invited – this is to make sure participants fully focus in class.

ESOL FOR PARENTS

EXPRESSION OF INTEREST SHEET KNIGHTSWOOD LEARNING COMMUNITY

Course Descriptor:

The Digital Literacy Course will help you with Sending & Receiving Messages in English, using formal and informal language including text speak vocabulary. It will help you with registering and accessing online services via smartphone. Show you how to use Apps focusing on 2 free language learning apps; Duolingo and WordUp. It will look at Online Safety: avoiding scams and recognising phishing. It will support you in Education & Employment, for example, how to use the internet to find educational and employment opportunities, and how to apply for them. This is a great way to increase your English language in a practical way.
